

Seminar Speaker Series

Northeastern University
Center for Robotics

Lightning Talks by Robotics-Related Faculty

Host: Prof. Lawson Wong

Prof. Joe Ayers (COS) - Biomimetic Robots with Electronic Nervous Systems

Prof. Tim Bickmore (CCIS) - Relational Agents Lab

Prof. Deniz Erdogmus (COE) - Active Human Intent Inference

Prof. Alireza Ramezani (COE) - Robotics-Inspired Biology: Understanding Aerial and Terrestrial Locomotion

Prof. Dagmar Sternad (COS) - Control of Human Movement

Tuesday

December 4th

ISEC Auditorium

4:00pm - 5:00pm

Conversation and pizza to follow in the lobby after the talks!
